Procesbeskrivelse til udstyrskontrol i Evita

Evita findes på: <https://evita.learning.aau.dk/login/>

Husk at tidligere Læringsansatte skal logge på med: brugernavn@learning.aau.dk

Alle andre logger på med: brugernavn@id.aau.dk

OBS: hvis I logger på uden for AAU netværket så skal det være via VPN

Login i Evita og vælg udstyr

The screenshot shows the EVITA login interface. It features fields for 'Brugernavn' (Username) and 'Adgangskode' (Password), both containing placeholder text. A 'Log Ind' (Log In) button is at the bottom. To the right, there are two blue callout boxes: one for 'Tidligere CGS og nyansatte' with the note '+ dit AAU-login' and another for 'Tidligere Læring' with the note '+ dit AAU-login'.

The screenshot shows the 'Udstyr' tab selected in the navigation bar. Below it, a section titled 'Opret en ny indkøbsordre' (Create a new procurement order) lists four options: 'Opret iProcurement indkøbsordre', 'Opret ekstern indkøbsordre', 'Opret intern indkøbsordre', and 'Opret RUS-indkøbsordre'. Each option has a brief description. At the bottom, a 'Betalskilder' (Payment sources) section is shown with a table header and some rows.

Information

- Udstyret er universitetets ejendom og skal returneres ved ansættelsens ophør
- Du skal til enhver tid kende udstyrets placering så du kan udpege det i tilfælde af revision
- Som udstyrsansvarlig er du forpligtet til mindst én gang årligt at verificere udstyrets status og placering
- Alt udstyr skal være registreret hvis påkrævet ifølge reglerne for omgang med statens midler
- Ved tvivlstilfælde og spørgsmål, kontakt kim@learning.aau.dk

Klik på hvert enkelt stykke udstyr for at starte godkendelsen.

"Quick-guide" - hvis du kan godkende udstyret:

- Opdater til dagsdato (sidst set)
- I "situation (påkrævet)" vælges "udstyr findes og er i brug".
- Tryk "gem"

Yderligere kommentarer er ikke nødvendige

Yderlige forklaring til de enkelte punkter:

Udstyrsansvarlig: Er altid dig - og dit navn vil fremgå af linjen.

Udstyrsbruger: Udfyldes ikke – kun hvis udstyreret ”permanent” er udlånt til en anden person f.eks. studentermedhjælp skal det udfyldes. Dog kan man p.t. kun finde instituttets ”fastansatte” i drop-down listen.

Placering/lokale: Er ikke opdateret – du er velkommen til at skrive dit lokale nr. og tryk gem.

Sidst set: Her kan du se, hvornår du sidst har bekræftet udstyret (da alle data lige er indlæst, kan der denne gang være usikkerhed om datoerne).

Situation (påkrævet): Skal udfyldes – forhåbentlig er det kun punktet ”udstyr findes og er i brug” som skal bruges. Yderligere kommentar ikke nødvendig.

Kommentar: Skrive venligst en sigende tekst til os om hvorfor du evt. ikke kan godkende udstyret.

Når du har været inde og bekræftet alt dit udstyr - er udstyrskontrollen overstået - bemærk eventuelle deadlines, da vi skal rapportere tilbage til Økonomiafdelingen, med status på udstyret.

Procedure on control of equipment in Evita

Link to Evita (Switch to **English** by clicking on the flag)

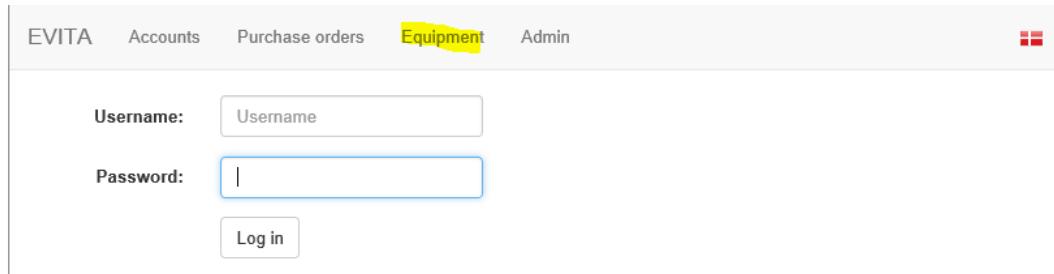

EVITA can be found here: <https://evita.learning.aau.dk>

Remember employee from the former “Learning” must logon with username@learning.aau.dk

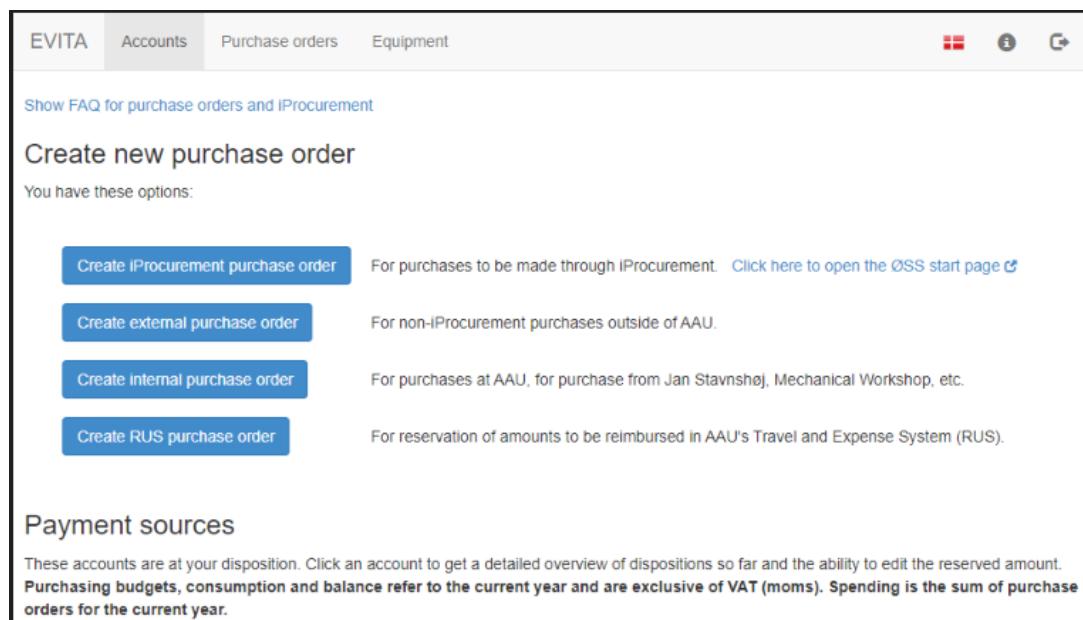

Everyone else must use: usernavn@id.aau.dk

Note: if you are logging on from outside the AAU network it must be via VPN

Log on to Evita and select “equipment”

The screenshot shows the top navigation bar of the EVITA system. The tabs include "EVITA", "Accounts", "Purchase orders", "Equipment" (which is highlighted with a yellow box), and "Admin". Below the tabs is a login form with fields for "Username" and "Password", and a "Log in" button.

The screenshot shows the "Create new purchase order" section of the EVITA interface. It includes a "Show FAQ for purchase orders and iProcurement" link, a "Create new purchase order" heading, and a list of options for creating purchase orders:

- Create iProcurement purchase order**: For purchases to be made through iProcurement. [Click here to open the OSS start page](#).
- Create external purchase order**: For non-iProcurement purchases outside of AAU.
- Create internal purchase order**: For purchases at AAU, for purchase from Jan Stavnshøj, Mechanical Workshop, etc.
- Create RUS purchase order**: For reservation of amounts to be reimbursed in AAU's Travel and Expense System (RUS).

Below this is a "Payment sources" section with a note about account dispositions and budgets.

Under equipment, you find all the items, which you are registered for at the Institute for Culture and Learning

The screenshot shows a user interface for managing equipment. At the top, there is a navigation bar with tabs: 'EVITA', 'Accounts', 'Purchase orders', and 'Equipment'. The 'Equipment' tab is selected. On the right side of the header are icons for a flag (Denmark), a help symbol, and a refresh arrow. Below the header, the title 'Your equipment' is displayed. A table lists four pieces of equipment:

Title	AAU num.	Responsible	User	Last seen
Bærbar pc Dustin	118327	Annemette Helligsø		10/28/2022
Ipad Apple	118809	Annemette Helligsø		10/28/2022
iPhone 11 purple, Apple	132351	Annemette Helligsø		10/28/2022
Skræm Dell	123607	Annemette Helligsø		10/28/2022

Below the table, a message says 'Showing 1 to 4 of 4 entries'. Under the heading 'Information', there is a list of instructions:

- The equipment is the property of the university and must be returned at the end of your employment
- You must know the location of the equipment at any time so you can identify it in case of an audit
- As equipment responsible you are obliged to verify the status and location of the equipment at least once per year
- All equipment must be registered if required by the rules concerning usage of government funds
- In case of doubt or questions, contact kim@learning.aau.dk

Click on each piece of equipment to start the approval.

"Quick-guide":

If you can verify the equipment:

- Date must be updated (last seen)
- Under "Situation (required) select "Equipment exists and is in use"
- Click "save".
- No further comments required
